COLLEGE SELECT / THE EXPERIENCE

The work behind the next step.

PERSONALIZED GUIDANCE. PRACTICAL PROGRESS.

01 Define the application plan

Review the agreed colleges, requirements, and goals. Connect preparation, preferences, and family circumstances with a clear sequence of application work.

02 Identify a meaningful story

Explore experiences that reveal strengths, responsibility, and growth. Help the student recognize why an experience matters and what it shows about them.

03 Develop essays and activity descriptions

Guide student drafts and revisions with feedback on clarity, detail, and reflection. Support work that communicates the student's own thinking and voice.

04 Coordinate final review

Review application components for consistency and completeness. Clarify remaining questions and submission priorities while the student retains responsibility for final decisions.
