9TH GRADE PROGRAM / THE EXPERIENCE

The work behind the next step.

PERSONALIZED GUIDANCE. PRACTICAL PROGRESS.

01 Build an academic foundation

Review course demands, grades, habits, and sources of pressure. Develop realistic ways to plan work, prepare for class, and seek help when needed.

02 Choose meaningful activities

Investigate a few options through useful resources and guided questions. Help the student make a reasoned choice based on interest, available time, and readiness.

03 Turn participation into learning

Review effort, feedback, follow-through, and contribution. Notice what an activity teaches the student and adjust commitments that are not serving a useful purpose.

04 Develop growing independence

Set goals, discuss obstacles, and identify support. Practice communication, keeping commitments, and taking responsibility while maintaining perspective.

PROGRESS TO DISCUSS TOGETHER

*A plan. Real work.
A clearer next step.*

- 01 An academic plan and study priorities
- 02 A reasoned activity choice
- 03 Progress reviews and revised next steps

PROGRAM SCOPE

10 counseling meetings per year, including initial planning and reviews. Enrollment duration, communication, and Grade 12 application support are defined in the written agreement.
