UC PATHWAY / THE EXPERIENCE

The work behind the next step.

PERSONALIZED GUIDANCE. PRACTICAL PROGRESS.

01 Clarify campus and major choices

Discuss preparation, interests, and possible UC directions. Review current official requirements and deadlines to develop a practical application plan.

02 Find meaningful Personal Insight material

Explore experiences, choices, contributions, and challenges that matter to the student. Identify what they want to share and the specific details that help communicate it.

03 Draft and revise in the student's voice

Provide feedback on student-authored Personal Insight responses, emphasizing clarity, specificity, and reflection. The student's ideas, wording, and decisions remain their own.

04 Review submission readiness

Review the application for accuracy and completeness. Organize remaining records and a final checklist, with the student responsible for truthful content and submission.

PROGRESS TO DISCUSS TOGETHER

*A plan. Real work.
A clearer next step.*

- 01 A UC application plan
- 02 Student-authored Personal Insight responses
- 03 A final submission checklist

PROGRAM SCOPE

Includes 5 counseling meetings and 7 essay support hours through submission. Application coverage and other terms are defined in the written agreement. Admission is not guaranteed.
